

~~Sgt~~ CAPT. FRANK LOVEJOY
33RD ARMORED ENGINEER BATTALION

18 Dec 43.

Dear Brothers.

Once again I've moved. The address now is: 33rd Armored Eng Bn, Camp Gordon, Ga.

The Christmas box followed me. Many thanks. My junior officers placed their stamp of approval upon it. Immediately my back was turned they consumed about $\frac{2}{3}$ of the candy. They did leave the roger bladesome gum - for which I am deeply thankful.

It is not the Sunny South any longer. Freezing weather here the last few days. I would welcome some decent heat.

Soon maybe.

Fraternally
Frank Lovejoy
