Dear Clarence,

Received your letter yesterday, was forwarded to me from Mackell, to Marton, and then to her finally. My permanent station is the 38th T.C. Sq. dr. - M.A.A.B., Marton, D.C. but am here at Lubbock on thirty days detached service. We are trying to change the training of glider pilot here to fit our needs for combat, before they were trained so that we had to re-teach them for the proper type of flying.

My commission came through just before I left to come here and am now one of those short-tails and feel quite guilty about it when ever I am rendered a little military courtesy, guess you know what I mean, the usual feeling about 2nd Lt.

My pre-war girl friend came down from Mich. the night before last and we were married last night, so this letter has more than one main event to be told. Looks like an Irishman got hitched
