Hello Brothers

have been intending to write
for some time but as nothing
much is going on around here
just keep putting it off until it
has been too long.

I see by the monthly paper that
you are going to have a busy
time hope it continues thru
the new year and also wish
to congratulate all the new officers
hoping that they will all have
a successful year in the
Chair.

have met a number of Morons
here in camp and we were

All in Norfolk the other Evening
for a very enjoyable time
with one of the Judges they had
a Dinner but we did not get
in for that the Club Room
is a very popular place for
service men of all Branches
and here is my contribution for
the same. Every Mason should
support this movement for it
is really a grand thing.
Wishing you all a happy and
prosperous new year. and
best wishes to all.

I Remain
Yours in fraternal
