Dear Bros. of Signet Lodge No 555
just received the Christmas
package to day, June 3rd. It was
a little late getting here, but
I enjoyed it just the same.
and wish to thank every one
of you. That package has
really been around, I have had
10 different addresses since I
come over here, and I think
it made the rounds, before it
caught up to me.

I suppose you fellows all know
that I cant tell you anything
that is going on over here,

AMERICAN RED CROSS

as much as I would like to,
I am not having as tough a
time as a lot of the boys, but
life in these swamps and jungles
is not exactly a bed of roses
any way you take it. I just hope
~~you~~ don't have to stay over here
much longer. we are gradually
getting closer to Tokyo. Slow but
sure, and boy that will be the
day we have all been looking
for.

I got your invitation to the
dinner, and it really made me
hungry, wish I could have
been there, for I am sure every
one had a good time

AMERICAN RED CROSS

I Suppose the League team
is getting plenty of work to
do lately as it seems you are
getting quite a few new members

I understand one of my
brothers is to be a candidate
for Masonry soon, but I don't
know what lodge,

Thanks again for the package
and best wishes for all of
you. Dan J. Hally F.A.M.

P.S. Would appreciate a line
from any one that will take
the time to write.
